C# Number of working connections in a cluster shall be calculated taking the average of working connections on the first and last day of the month

Sample Calculation where incentive is to be considered for cases where gross provisioning of the month is more than or equal to 1.5% of cluster size.

Cluster Size as on date of issue of work order :

No. of Landline without Broadband	2000
No. of Landline with Broadband	1000
No. of ISDN PRI/Leased circuits/SIP Trunk on copper	100

So, the monthly target for getting additional incentive is 45

$$\{1.5\% \text{ of } (2000+1000) = 45\}$$

Sample Calculation for Provisioning LL/BB if Target of 45 lines is not achieved

 - 1.4.7. BSNL shall evaluate the Bids using the evaluation process specified above, at its sole discretion.
 - 1.4.8. BSNL's decision in this regard shall be final and binding.

Section- 4 Part C
E-tendering Instructions to Bidders
Instructions for Online Bid Submission

(Department User may attach this Document as an Annexure in their Tender Document which provides complete Instructions for on line Bid submission for Bidders)

The bidders are required to submit soft copies of their bids electronically on the CPP Portal, using valid Digital Signature Certificates. The instructions given below are meant to assist the bidders in registering on the CPP Portal, prepare their bids in accordance with the requirements and submitting their bids online on the CPP Portal.

More information useful for submitting online bids on the CPP Portal may be obtained at:

<https://etenders.gov.in/eprocure/app>

REGISTRATION

- 1) Bidders are required to enroll on the e-Procurement module of the Central Public Procurement Portal (URL: <https://etenders.gov.in/eprocure/app>) by clicking on the link "Online bidder Enrollment" on the CPP Portal which is free of charge.
- 2) As part of the enrolment process, the bidders will be required to choose a unique username and assign a password for their accounts.
- 3) Bidders are advised to register their valid email address and mobile numbers as part of the registration process. These would be used for any communication from the CPP Portal.
- 4) Upon enrolment, the bidders will be required to register their valid Digital Signature Certificate (Class III Certificates with signing key usage) issued by any Certifying Authority recognized by CCA India (e.g. Sify / nCode / eMudhra etc.), with their profile.
- 5) Only one valid DSC should be registered by a bidder. Please note that the bidders are responsible to ensure that they do not lend their DSC's to others which may lead to misuse.
- 6) Bidder then logs in to the site through the secured log-in by entering their user ID /password and the password of the DSC / e-Token.

SEARCHING FOR TENDER DOCUMENTS

- 1) There are various search options built in the CPP Portal, to facilitate bidders to search active tenders by several parameters. These parameters could include Tender ID, Organization Name, Location, Date, Value, etc. There is also an option of advanced search for tenders, wherein the bidders may combine a number of search parameters such as Organization Name, Form of Contract, Location, Date, Other keywords etc. to search for a tender published on the CPP Portal.
- 2) Once the bidders have selected the tenders they are interested in, they may download the required documents / tender schedules. These tenders can be moved to the respective 'My Tenders' folder. This would enable the CPP Portal to intimate the bidders through SMS / e- mail in case there is any corrigendum issued to the tender document.
- 3) The bidder should make a note of the unique Tender ID assigned to each tender, in case they want to obtain any clarification / help from the Helpdesk.

PREPARATION OF BIDS

- 1) Bidder should take into account any corrigendum published on the tender document before submitting their bids.
- 2) Please go through the tender advertisement and the tender document carefully to understand the documents required to be submitted as part of the bid. Please note the number of covers in which the bid documents have to be submitted, the number of documents - including the names and content of each of the document that need to be submitted. Any deviations from these may lead to rejection of the bid.
- 3) Bidder, in advance, should get ready the bid documents to be submitted as indicated in the tender document / schedule and generally, they can be in PDF / XLS / RAR / DWF/JPG formats. Bid documents may be scanned with 100 dpi with black and white option which helps in reducing size of the scanned document.
- 4) To avoid the time and effort required in uploading the same set of standard documents which are required to be submitted as a part of every bid, a provision of uploading such standard documents (e.g. PAN card copy, annual reports, auditor certificates etc.) has been provided to the bidders. Bidders can use "My Space" or "Other Important Documents" area available to them to upload such documents. These documents may be directly submitted from the "My Space" area while submitting a bid, and need not be uploaded again and again. This will lead to a reduction in the time required for bid submission process.

Note: *My Documents space is only a repository given to the Bidders to ease the uploading process.*

If Bidder has uploaded his Documents in My Documents space, this does not automatically ensure these Documents being part of Technical Bid.

SUBMISSION OF BIDS

- 1) Bidder should log into the site well in advance for bid submission so that they can upload the bid in time i.e. on or before the bid submission time. Bidder will be responsible for any delay due to other issues.
- 2) The bidder has to digitally sign and upload the required bid documents one by one as indicated in the tender document.
- 3) Bidder has to select the payment option as “offline” to pay the tender fee / EMD as

Applicable and enter details of the instrument.

- 4) Bidder should prepare the EMD as per the instructions specified in the tender document.

The original should be posted/couriered/given in person to the concerned official, latest by the last date of bid submission or as specified in the tender documents. The details of the DD/any other accepted instrument, physically sent, should tally with the details available in the scanned copy and the data entered during bid submission time. Otherwise the uploaded bid will be rejected.

- 5) Bidders are requested to note that they should necessarily submit their financial bids in the format provided and no other format is acceptable. If the price bid has been given as a standard BoQ format with the tender document, then the same is to be downloaded and to be filled by all the bidders. Bidders are required to download the BoQ file, open it and complete the white coloured (unprotected) cells with their respective financial quotes and other details (such as name of the bidder). No other cells should be changed. Once the details have been completed, the bidder should save it and submit it online, without changing the filename. If the BoQ file is found to be modified by the bidder, the bid will be rejected. 6) The server time (which is displayed on the bidders’ dashboard) will be considered as the standard time for referencing the deadlines for submission of the bids by the bidders, opening of bids etc. The bidders should follow this time during bid submission.
- 6) All the documents being submitted by the bidders would be encrypted using PKI encryption techniques to ensure the secrecy of the data. The data entered cannot be viewed by unauthorized persons until the time of bid opening. The confidentiality of the bids is maintained using the secured Socket Layer 128 bit encryption technology. Data storage encryption of sensitive fields is done. Any bid document that is uploaded to the server is subjected to symmetric encryption using a system generated symmetric key. Further this key is subjected to asymmetric encryption using buyers/bid opener’s public keys. Overall, the uploaded tender documents become readable only after the tender opening by the authorized bid openers.

- 7) The uploaded tender documents become readable only after the tender opening by the authorized bid openers.
- 8) Upon the successful and timely submission of bids (i.e. after Clicking “Freeze Bid Submission” in the portal), the portal will give a successful bid submission message & a bid summary will be displayed with the bid no. and the date & time of submission of the bid with all other relevant details.
- 9) The bid summary has to be printed and kept as an acknowledgement of the submission of the bid. This acknowledgement may be used as an entry pass for any bid opening meetings.

SEMI URBAN AND RURAL OUTSOURCING POLICY

Outsourcing policy for Maintenance and provisioning of Landline and Broadband for external plant of copper Network in Urban Areas has been issued on 20.12.2019. It includes cluster size of 3000 working lines and above external plant of copper network. There are many exchanges in urban and rural areas are left out which could not be included in the given outsourcing policy. It is therefore very much required to address how operations and maintenance will be done in those remaining copper network of exchanges. So remaining copper network of exchanges in urban, semi-urban and rural areas are included under this policy named as outsourcing of "Semi Urban Cluster" policy. It is expected that the Circles/BAs/SS As will implement this policy in true spirit and improve the customer services experience from the fixed line copper network of BSNL.

1. These clusters shall be separately earmarked during the formation of cluster and no urban cluster shall be marked as semi urban cluster in any case.
2. This policy will be applicable to only those Urban/Semi-Urban areas , which are having less than 3000 working lines cluster size for Non-SSA HQ SDCAs and those SSA HQ SDCAs where total working lines in SSA are below 5000 working lines, the formation of clusters may include adjoining SDCAs and its urban/rural exchanges within SSA.
3. All such semi urban towns having 1500 working lines or more(to form cluster by including adjacent rural exchanges of SDCAs or multiple SDCAs) will be clubbed with adjoining area with the additional line item of upkeep of rural exchanges and its copper network from MDF to customer premises (only for rural area) to make a cluster with minimum 2000 working lines. The MTTR for these semi urban clusters will be 6 Hrs for Leased circuits/PRI/SIP Trunks and 12 hours for LL/BB services running on copper network.

a) Penalties will be levied on monthly KPIs
