

Mobile Number Re-verification with Aadhaar Number

In accordance with the Hon'ble Supreme Court order, DoT has issued instructions to all telecom operators to mandatorily verify all their existing mobile subscribers (Prepaid & Post-paid) through the Aadhaar-based e-KYC process on or before 06.02.2018

Step 1:

- Visit the nearest Customer Service Center / Franchisee / Retailer / DSA with your mobile and **provide your number.**
- BSNL will provide a **four-digit** verification code on your mobile number from re-verification application.

Step 2:

- **Provide your Aadhaar Number** and biometric finger print. Address from **Aadhaar server will be fetched and displayed.**
- **Confirm** the verification process.

Step 3:

- After 24hrs, you will receive a confirmation SMS
- Reply **REV YES** to confirm changes and **REV NO** in case any discrepancy to **53734**

It's simple and easy!

To avoid last Minute rush please complete your Re-verification as soon as possible and continue to enjoy uninterrupted service.
